All euro (€) amounts referred to herein are Euros unless otherwise indicated.

All dollar (US\$) amounts referred to herein are United States dollars unless otherwise indicated.

The information in this Information Circular is as of April 22, 2019 unless otherwise indicated.

SOLICITATION OF SHAREHOLDERS

THE ENCLOSED PROXY IS SOLICITED BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF THE COMPANY. The Shareholders will be solicited primarily by the mailing of the Instrument of Proxy. The Company’s directors may also solicit the Shareholders prior to the Meeting by telephone or in person to ensure that the Shareholders return the Instrument of Proxy in due time. Costs of solicitation of the Shareholders will be borne by the Company. This Information Circular and the accompanying Instrument of Proxy are expected to be mailed to the Shareholders on or about May 6, 2019.

HOW TO VOTE WITH THE INSTRUMENT OF PROXY

As the Company is incorporated under the laws of France, the Meeting and the voting procedure at the Meeting must be conducted in accordance with French law. French law has very specific rules and regulations regarding the solicitation of proxies and the manner in which shares may be voted at a Shareholders’ meeting. **Please read carefully the following explanation on how to vote your shares since French law may differ substantially from Canadian law in this respect.**

A Shareholder entitled to vote at the Meeting may by means of the Instrument of Proxy either:

- (1) give a proxy to the president of the Meeting (the “President”), to be voted in favour of all the resolutions approved by the Board of Directors to be submitted to the Meeting (whether or not mentioned in the Notice) as provided under French law; or**
- (2) give a proxy to the Shareholder’s spouse or the Shareholder’s partner with whom he or she has entered into a civil union, if any, or another Shareholder or an individual or legal entity of his or her choice to vote on behalf of the Shareholder on all the resolutions to be submitted to the Meeting (whether or not mentioned in the Notice); or**
- (3) vote by mail:**
 - (a) on the resolutions mentioned in the Notice by instructing the proxy holder for each resolution, whether:**
 - to vote in favour of the resolution; or**
 - to vote against the resolution; or**
 - to abstain from voting;**

and

- (b) on any resolutions not mentioned in the Notice or any amendment thereto, whether:
- to abstain from voting; or
 - to give a proxy to the President; or
 - to give a proxy to the Shareholder's spouse, if any, or to another Shareholder; or

- (4) elect, for each resolution, to vote by mail or proxy.

The completed Instrument of Proxy must be received by 2:00 p.m. (local time at either the Toronto or Paris address where the Instrument of Proxy is received) on May 20, 2019 at the address set forth on the accompanying return envelope (Attention: Proxy Department, TSX Trust, Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1 Canada or at the offices of Société Générale Securities Services, SGSS/SBO/CIS/ISS/SRP, 32 rue du Champ de Tir CS 30812, 44308 Nantes CEDEX 3, France). All Forms received will be duly sent to the President in time for the Meeting. For options other than vote by mail, the Instrument of Proxy can also be deposited with the President or scrutineer of the Meeting prior to the commencement of the Meeting.

DETAILED INSTRUCTIONS FOR VOTING WITH THE FORM

The four options for voting with the Instrument of Proxy mentioned above are described in more detail below.

Option 1

A Shareholder may give to the President the power to vote on all resolutions submitted to the Meeting (whether or not mentioned in the Notice) (Part 1 of the Instrument of Proxy).

The Instrument of Proxy enables a Shareholder to authorize the President to vote on behalf of the Shareholder in favour of all the resolutions submitted or approved by the Company's Board of Directors (the "Board"). In order to exercise this option, a Shareholder need only date and sign the Instrument of Proxy; parts 2 and 3 of the Instrument of Proxy must be left blank. **As provided under French law, the President will vote in favour of the resolutions submitted or approved by the Board and against any other resolution. The President will vote in the same manner for new or amended resolutions.**

Option 2

A Shareholder may give a proxy to his spouse or the Shareholder's partner with whom he or she has entered into a civil union, if any, or another Shareholder or an individual or legal entity of his or her choice to vote on behalf of the Shareholder on the resolutions submitted to the Meeting (whether or not mentioned in the Notice) (Part 2 of the Instrument of Proxy).

The Shareholder may by means of the Instrument of Proxy select a proxy holder who will vote on behalf of the Shareholder on all resolutions submitted to the Meeting. In order to exercise this option, the Shareholder must (1) complete part 2 of the Instrument of Proxy, (2) indicate where required on the document the name of the Shareholder's spouse or the Shareholder's partner with whom he or she has entered into a civil union, or the other Shareholder or individual or legal entity of his or her choice entitled to vote on behalf of the Shareholder, (3) date and sign the Instrument of Proxy, and (4) leave parts 1 and 3 of the Instrument of Proxy blank. The proxy holder is entitled to use the proxy at his discretion regarding the resolutions proposed in the Notice of Meeting or any new or amended resolutions.

If a Shareholder completes only part 2 of the Instrument of Proxy and returns the Instrument of Proxy dated and signed without designating the person entitled to vote on behalf of the Shareholder, the Instrument of Proxy will be construed as a "blank proxy". A "blank proxy" will be treated as a proxy given to the President. The President of the Meeting will then use the proxy as provided under Option 1 above.

Option 3

A Shareholder may vote by mail on all resolutions (Part 3 of the Instrument of Proxy).

To vote by mail, a Shareholder must complete only part 3 of the Instrument of Proxy, and date and sign the Instrument of Proxy. For each resolution mentioned in the Notice, the Shareholder must only mark one box per resolution, depending on whether the Shareholder elects to vote “for” or “against” or to “abstain from voting”. According to French law, when a Shareholder abstains from voting, the Shareholder is deemed to have voted against the resolution with respect to which he abstained from voting.

A Shareholder who elects to vote by mail must also give voting instructions regarding amendments or new resolutions by indicating whether he wants to abstain from voting for such resolutions or, alternatively, give a proxy to his spouse, the President or another designated Shareholder, by completing the relevant section of part 3 of the Instrument of Proxy. **When a Shareholder has given a proxy to the President, the President must vote on behalf of the Shareholder in favour of the resolutions approved by the Board and against any other resolution. When a Shareholder gives a proxy to another permitted proxy holder, such proxy holder may vote the proxy in his discretion.**

Option 4

A Shareholder may elect to vote by mail for certain resolutions and to vote by proxy for others.

A Shareholder may vote by proxy for certain resolutions and by mail for others. To do so, a Shareholder must put a check mark in box 1b and vote on one or more resolutions shown in part 3. In such case, the Shareholder will be deemed to have intended to vote by proxy, subject to the votes by mail indicated in part 3 of the Instrument of Proxy.

Signing of the Instrument of Proxy (Part 4 of the Instrument of Proxy)

The Shareholder must indicate where required on part 4 of the Instrument of Proxy the Shareholder’s full name and address. If this information is already printed on part 4 of the Instrument of Proxy, the Shareholder must correct any inaccuracies in the information. If the Shareholder is a corporate entity, the signatory of the Instrument of Proxy must indicate his full name and the capacity in which he is signing. As to individual Shareholders, when the signatory is not the Shareholder, such signatory must indicate his full name.

<p>IN ALL CASES THE INSTRUMENT OF PROXY MUST BE SIGNED BY THE SHAREHOLDER. Forms that are not signed and returned in time will not be taken into account in computing the votes for or against a resolution.</p>

REVOCABILITY OF PROXIES

A proxy given by a Shareholder may be revoked at any time upon timely notice in writing of such revocation to the Company. A Shareholder may revoke a proxy by sending to one of the addresses mentioned above, with receipt no later than 2:00 p.m. (local time at either the Toronto or Paris address where the Instrument of Proxy is received) on May 20, 2019, a notice in writing signed by the Shareholder revoking the proxy previously sent to the above-mentioned addresses. A signed notice of revocation may also be deposited with the President or the scrutineer of the Meeting prior to the commencement of the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS OF VOTING SHARES

The share capital of the Company consists of common shares. As of the date hereof, 62,491,281 common shares were issued and outstanding. Holders of common shares are entitled to vote at the Meeting with each common share carrying the right to one vote, subject to a double voting right attached to each share recorded in registered form for a continuous period of at least two years.

The record date for the shareholder to attend and vote is two days before the Meeting. The Company has caused to be prepared a list of the holders of common shares on such record date. Each Shareholder named in the list will be entitled to one vote at the Meeting for each common share shown opposite the Shareholder’s name except

to the extent that (a) the Shareholder has transferred the ownership of such common share on May 20, 2019, and (b) the transferee of such common share produces a properly executed transfer form (“*ordre de mouvement*”) (which can be obtained from the Company’s transfer agent, Société Générale Securities Services) establishing that the transferee owns such common share.

A complete list of the registered Shareholders entitled to vote at the Meeting will be open for examination by a Shareholder for any purpose germane to the Meeting, during ordinary business hours for a period of 15 days prior to the Meeting (ie. from May 7, 2019), at the office of Société Générale Securities Services, SGSS/SBO/CIS/ISS/SRP, 32 rue du Champ de Tir CS 30812, 44308 Nantes CEDEX 3, France and at the office of TSX Trust, Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1 Canada. In accordance with French law (Article R. 225-90 paragraph 2 of the French Commercial Code), a list of the registered Shareholders as at May 6, 2019, will also be open for examination at the registered office of the Company in Paris, France.

As provided by French law, a Shareholder is entitled to vote at the Meeting where the Shareholder can identify itself and demonstrate that the Shareholder has held common shares for a period of at least two days prior to the Meeting date (i.e., at the latest on May 20, 2019, 0:00 am).

This Information Circular and the Instrument of Proxy attached hereto will be sent to all Shareholders holding common shares on or around May 6, 2019. In addition, under French law, the Company must send this Information Circular and the Instrument of Proxy to any Shareholder who has requested them from the Company not less than six calendar days prior to the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date hereof no person beneficially owns (within the meaning of Canadian securities laws), directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the voting rights attached to the Company’s issued and outstanding common shares, other than IAMGOLD France S.A.S., which is the registered holder of 56,058,191 common shares, being approximately 89.71% of the issued and outstanding common shares as at December 31, 2018. IAMGOLD France S.A.S. is an indirect wholly owned subsidiary of IAMGOLD Corporation (“IAMGOLD”).

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES NOT HOLDING THEIR COMMON SHARES IN THEIR OWN NAMES

The information set forth in this section is of significant importance to many Shareholders of the Company as a substantial number of Shareholders do not hold their common shares of the Company in their own names. Shareholders of the Company who do not hold their common shares in their own names (referred to herein as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common shares of the Company held by brokers or their agents or nominees may in certain instances be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate

responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the meeting. **A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote common shares directly at the Meeting – the proxy must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares of the Company registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxy holder for the registered Shareholder and vote such common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxy holder for the registered Shareholder should enter their own names in the blank space on the Instrument of Proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

All references to Shareholders in this Management Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to Shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered Shareholders who produce proof of their identity.

QUORUM AND MAJORITY REQUIREMENTS FOR THE MEETING

The resolutions to be presented to the Shareholders include ordinary and extraordinary resolutions. Therefore, this Meeting will approve ordinary resolutions in the context of an ordinary general meeting and extraordinary resolutions in the context of an extraordinary general meeting without having two meetings held.

Under French law, the ordinary general meeting may only take place on first call if the Shareholders present or represented hold at least one-fifth of the voting shares. This quorum requirement does not apply on second call. The resolutions must be passed by a majority of the votes cast by the Shareholders present or represented at the Meeting.

Under French law, the extraordinary general meeting may only take place on first call if the Shareholders present or represented hold at least one-quarter of the voting shares. On second call, the extraordinary general meeting may only take place if the Shareholders present or represented hold at least one-fifth of the voting shares. The resolutions must be passed by a two-third majority vote cast by the Shareholders present or represented at the Meeting.

Mr. David H. Watkins was a director of Landdrill International Inc. ("Landdrill") from June 2011 until August 26, 2012. On August 31, 2012, Landdrill obtained an Initial Order from the Court of Queen's Bench of New Brunswick under the *Companies' Creditors Arrangement Act* (Canada) ("CCAA") granting protection from creditors. Mr. Watkins was a director of Atna Resources Ltd ("Atna") from April, 2000 to May 31, 2016. On November 18, 2015, Atna and its affiliated debtors each filed a voluntary petition for relief under Chapter 11 of title 11 of the United States Bankruptcy Code in the Bankruptcy Court for the District of Colorado. A plan for liquidation was confirmed by the court on November 29, 2016.

SUPPORT SERVICES AGREEMENT

Effective November 10, 2015, the independent directors of the Company approved a new support services agreement between IAMGOLD and EURO, (hereafter the "Agreement"), which has been approved by EURO's Shareholders other than IAMGOLD at the general meeting of EURO held on May 25, 2016. The objective of the new Agreement was to provide clarification on support services provided. A copy of the Agreement is available under the Company's issuer profile on www.sedar.com. The Agreement covers certain day-to-day services (including assistance with (i) cash management and investment, (ii) accounting and financial services, (iii) corporate secretary, (iv) investor relations and shareholder communications, as well as governmental relations, (v) legal and tax services, and (vi) technical and geological support) provided by IAMGOLD to the Company. IAMGOLD's address is 401 Bay Street, Suite 3200, Toronto, Ontario, Canada M5H 2Y4. The Agreement provides that the Company will pay IAMGOLD all direct and indirect costs incurred by IAMGOLD in providing the support services, plus a mark-up equal to 5% of such costs.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

IAMGOLD is an "informed person" of the Company by virtue of its direct and indirect ownership of more than 10% of the Company's common shares, and is a party to the Support Services Agreement described above under "Support Services Agreement".

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Executive Compensation

The only officers that French law recognizes are the President of the Board of Directors, the Directeur-Général and Deputy Directeur-Général. The Summary Compensation Table set out below provides a summary of executive compensation paid by the Company to the Directeur-Général, the Deputy Directeur-Général and the President of the Board of Directors (collectively, the "Named Executive Officers"). There were no other executive officers whose total salary and bonus in respect of the financial year ended December 31, 2018 exceeded C\$150,000. The Company's reporting currency is the European Union euro (€). However, all amounts paid by the Company to the Named Executive Officers and directors were in the form of United States dollars (US\$). All currency amounts below are expressed in US\$.

Incentive Plan Awards

On February 18, 1995, the Company established a stock option plan (the "Plan") for certain managers and key employees of the Company and its affiliated companies. However, in light of IAMGOLD's position as the controlling shareholder of the Company, it is not anticipated that any options will be issued under the Plan in the future.

As of the date hereof, and as at December 31, 2018, the end of the Company's most recently completed financial year, there were no options issued or outstanding under the Plan. No other options or rights to acquire securities of the Company are issued and outstanding.

Compensation Governance

The Board has established a Compensation Committee comprised of Messrs. Watkins and Smith, both of whom are independent directors for the purposes of applicable Canadian securities legislation. Each of Messrs. Watkins and Smith has direct experience relevant to his responsibilities in executive compensation by virtue of his present or former service as a director or senior executive officer of one or more reporting issuers. The primary function of the Compensation Committee is to assist the Board in reviewing the organizational structure of the Company, identifying suitable persons for appointment as officers of the Company and considering succession planning issues as necessary, establishing, administering and evaluating the compensation principles, criteria, policies and plans for the Company's executive officers; providing guidance to senior management regarding the compensation of employees; and providing recommendations to the Board which are determined from time to time to be the subject of Board approval.

The Directors of the Company

Mrs Hermans and Messrs. Smith and Watkins are considered to be “independent” for the purposes of National Instrument 58-101 “Disclosure of Corporate Governance Practices”. Mr. Little is considered not to be

independent by virtue of his status as an officer of the Company and an officer of IAMGOLD, the Company's controlling shareholder. Accordingly, three of the seven directors of the Company are independent. This is not a majority of the directors. In order to facilitate the exercise of independent judgment in carrying out its responsibilities, when appropriate, and in accordance with applicable law, the directors of the Company who are not independent declare their interest in matters under consideration by the directors and abstain from consideration and approval of such matters. As well, the directors who are independent meet from time to time as appropriate (either constituted as the Audit and Corporate Governance Committee, the Compensation Committee or as independent directors) in the absence of those directors who are not independent.

The following directors are directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction:

The President of the Directors (the equivalent to the non-executive chairman of the Board of Directors) is Mr. David H. Watkins, who is considered to be an independent director.

Mandate of the Board of Directors

Scope of the Board of Directors' Duties

The directors of the Company are responsible for the stewardship of the Company and satisfy their legal responsibility to manage or supervise the management of the Company's business in the interest of its shareholders through the Directeur-Général. In doing so, each director must act honestly, in good faith, and in the best interests of the Company. The directors guide the strategic direction, monitor the financial results, and are ultimately accountable to the Company's shareholders. The directors are kept informed of the Company's operations at

meetings of the directors and committees, and through reports and analyses by, and discussions with, management. The directors manage the delegation of decision making authority to management through resolutions under which management is given authority to transact business, but only within specific limits and restrictions.

Duties and Responsibilities

Selection of Management

The directors are responsible for appointing the Directeur-Général (the functional equivalent of the Chief Executive Officer) and one or several Deputy Directeurs-Généraux, for monitoring and evaluating their performance, and approving their compensation. Upon recommendation of the Directeur-Général and the Compensation Committee, the directors are also responsible for approving the appointment and reviewing the remuneration of any executives who are appointed by the directors. The directors also ensure that adequate plans are in place for management succession and conduct an annual review of such plans.

Corporate Strategy

The directors are responsible for reviewing and approving the Company's corporate mission statement and corporate strategy on a yearly basis, as well as determining the goals and objectives to achieve and implement the corporate strategy, while taking into account, among other things, the opportunities and risks of the business. It is intended that the directors will, on an annual basis, meet for a strategic planning session to set the plans for the upcoming year. In addition to the general management of the business, the directors expect management to achieve the corporate goals set by the directors, and the directors monitor throughout the year the progress made against these goals.

In addition, the directors approve key transactions which have strategic impact to the Company, such as acquisitions, key supply arrangements and strategic alliances. Through the delegation of signing authorities, the directors are responsible for setting out the types of transactions which require approval of the directors before completion.

Fiscal Management and Reporting

The directors monitor the financial performance of the Company and must ensure that the financial results are reported (a) to shareholders and regulators on a timely and regular basis, and (b) fairly and in accordance with generally accepted accounting principles. The directors must also ensure that all material developments of the Company are disclosed to the public on a timely basis in accordance with applicable securities regulations. In the spring of each year, the directors reviews and approves the Company's Annual Report, which is sent to shareholders and which describes the achievements and performance of the Company for the preceding year. The Audit and Corporate Governance Committee also approves (subject to shareholder ratification) the appointment of the Company's auditors.

Legal Compliance

The directors are responsible for overseeing compliance with all relevant policies and procedures by which the Company operates and ensuring that the Company operates at all times in compliance with all applicable laws and regulations, and to the highest ethical and moral standards.

Statutory Requirements

The directors are responsible for approving all matters which require the Board approval as prescribed by applicable statutes and regulations. Management of the Company ensures that such matters are brought to the attention of the directors as they arise.

Formal Directors Evaluation

In light of the small size of the Board of Directors, the directors do not undertake a formal annual evaluation process to review their performance.

Risk Management

The directors are responsible for identifying the Company's principal risks and ensuring the implementation of

appropriate systems to manage these risks. The directors are also responsible for the integrity of the Company's internal control and management of information systems.

External Communications

The directors are responsible for overseeing the establishment, maintenance and annual review of the Company's external communications policies which should address how the Company interacts with analysts and the public and should also contain measures for the Company to avoid selective disclosure. The directors are responsible for establishing a process for receiving shareholder feedback.

Director Orientation and Continuing Education

The directors do not undertake a formal orientation or continuing education program. However, orientation and education activities that are undertaken on an *ad hoc* basis include meeting with the Company's management, its external legal counsel and auditors, and other external consultants as may be determined is appropriate or desirable from time to time by the directors. The directors consider that these orientation and education activities are appropriate given the nature and scope of the Company's business activities.

Nomination of Directors

The Audit and Corporate Governance Committee, which is comprised entirely of independent Directors, considers proposed nominees for directors as vacancies arise, with a view to ensuring that the Board of Directors is comprised of individuals with a complimentary range of general business and industry-specific experience and financial literacy. The Audit and Corporate Governance Committee may, if necessary, engage the assistance of outside advisors to identify suitable nominees for election as directors.

Ethical Business Conduct

The Company has adopted a written code of business conduct. This code may be obtained from the Company upon request. The Audit and Corporate Governance Committee, through the Directeur-Général, monitors compliance with the code of business conduct. There have been no material change reports issued during the year ended December 31, 2018 pertaining to any conduct by a director or officer of the Company that constitutes a departure from the code of business conduct. In accordance with the provisions of the code of corporate conduct and applicable corporate law, the directors ensure that any director who has a material interest in proposed transactions involving the Company disclose such interest prior to consideration of the relevant matter by the directors and abstain from voting on approval of such transactions as appropriate.

Committees of the Directors

The following committees of the directors have been established:

Audit and Corporate Governance Committee

The Audit and Corporate Governance Committee consists of three independent directors (Mrs Hermans and Messrs. Smith and Watkins).

The Audit and Corporate Governance Committee's principal functions are:

- (a) to review all financial information and statutory disclosure documents prior to their approval by the directors and their distribution to shareholders and regulatory authorities;
- (b) to review the Company's systems of internal control;
- (c) to monitor the performance of the external auditors;
- (d) to develop and monitor the Company's overall approach to corporate governance issues;
- (e) to recommend persons for election and re-election; and
- (f) to review the performance of the directors and their committee.

For more information regarding the Audit and Corporate Governance Committee, including a detailed description of this Committee's mandate and the qualifications of the members of this Committee as well as information regarding the compensation paid to the Company's auditors, please refer to the Company's 2019 Annual Information Form, which is available on www.sedar.com.

Compensation Committee

The Compensation Committee consists of two independent directors (Messrs Smith and Watkins). The primary function of the Committee is to assist the Board in reviewing the organizational structure of the Company, identifying suitable persons for appointment as officers of the Company and considering succession planning issues as necessary, establishing, administering and evaluating the compensation principles, criteria, policies and plans for the Company's executive officers (including the Directeur-Général); providing guidance to senior management regarding the compensation of employees; and providing recommendations to the Board which are determined from time to time to be the subject of Board approval.

Director Assessment

Given the number of directors, the directors have not established formal written assessments with respect to the effectiveness of individual directors. However, the directors anticipate that assessments may be undertaken on an informal basis. The directors may, in the future, adopt a process of formal written assessments as to their individual effectiveness.

Shareholder Communications

The Directeur-Général is responsible for ensuring that the communication needs of shareholders and investors generally are satisfied by written communication or by direct contact with senior management of the Company.

Mandate of the Directeur-Général

The Directeur-Général (who is the functional equivalent of the Chief Executive Officer) reports directly to directors on a regular and ongoing basis. He has full accountability to the directors for the operating, financial and strategic performance of the Company. Within their mandate, the directors also participate in the strategic decision-making process of the Company.

REPORTS FOR PRESENTATION TO SHAREHOLDERS

Management Report of the Board

The Management Report of the Board will be presented to the Shareholders at the beginning of the Meeting before the voting process starts. The report will indicate that the net result of the Company for the financial year ended December 31, 2018 in accordance with French Generally Accepted Accounting Principles ("GAAP") on an unconsolidated basis is a profit of €15,828,594.

Report of the Statutory Auditor

In their general report to the Shareholders, the Statutory Auditor will summarize the work it has done and certifies that the financial statements prepared in accordance with French GAAP are in due form and sincere and that they reflect fairly the results of operations for the last completed financial year as well as the cash flows and assets of the Company.

RESOLUTIONS TO BE APPROVED AT THE MEETING

FIRST RESOLUTION – APPROVAL OF THE COMPANY'S ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018 AND RELEASE OF THE DIRECTORS AND STATUTORY AUDITOR

After having heard the report of the Board and the general and special reports of the Statutory Auditor, the Shareholders will be asked to approve the *comptes annuels* (the "Financial Statements") of the Company for the fiscal year ended December 31, 2018, prepared in accordance with French GAAP. These Financial Statements are prepared on an unconsolidated basis. A meeting of the Board was held on February 21, 2019 to approve the Financial Statements for the 2018 fiscal year. The Board has also approved a management report prepared by the

President describing the activities of the Company during the past financial year. The report will be presented to the Shareholders before they are asked to approve the Financial Statements.

The Financial Statements were sent by the Board to the Statutory Auditor of the Company who reviewed the Financial Statements and prepared its report thereon. The Statutory Auditor's report will also be presented to the Shareholders during the Meeting before they are asked to approve the Financial Statements.

The French GAAP Financial Statements show a profit of €15,828,594 for the fiscal year ended December 31, 2018.

It is customary in France for the Shareholders, when approving the Financial Statements, to release the directors from any liability that they may have incurred during the prior financial year in connection with the performance of their duties as directors of the Company. By giving such release, the Shareholders acknowledge that the directors have fulfilled their obligations as directors of the Company. However, the release granted by the Shareholders does not protect the directors from a lawsuit in the event of misconduct or negligence in the fulfillment of their duties as directors of the Company.

The text of the First Resolution is as follows:

“The Shareholders, having the necessary quorum and required majority for an ordinary general meeting, after having heard the management report of the Board describing the activities of the Company during the financial year ended December 31, 2018 and the report of the Statutory Auditor on the performance of its duties during 2018, approve the balance sheet and the income statement of the Company together with any attachment thereto, for the fiscal year ended December 31, 2018, as presented to the Shareholders and summarized in the reports.
