**Guyanor Ressources S.A. Provides Additional Update  
on Status of Late Financial Statements Filing**

PARIS, France, April 19, 2005: Guyanor Ressources S.A. (TSX: GRL - Nouveau Marché, Paris: GOR) announces that it presently anticipates filing its audited financial statements for the year ended December 31, 2004 on or before April 30, 2005, or as soon as practicable thereafter.

As announced on April 6, 2005, at the request of Guyanor, the British Columbia Securities Commission, Guyanor's principal Canadian regulator, issued a cease trade order against Guyanor's directors as a result of Guyanor not being able to timely file its financial statements. The cease trade order does not restrict the ability of Guyanor's other shareholders to trade shares of Guyanor.

Guyanor anticipates that upon the filing of its financial statements, the cease trade order will be rescinded

Guyanor is a French company, focused on the acquisition of royalty and similar interests in mining properties, principally gold. It has an existing portfolio of exploration and development properties in French Guiana. Guyanor has approximately 45 million shares outstanding.
